The description of this program is only a summary of available coverages. Actual policy language will dictate the scope of coverage in the event of a claim. Agents should read the full policy form and any applicable endorsements for full terms and conditions and should encourage their policyholders to do the same.

Global Special Risks' operations are conducted through multiple legal entities, the choice of which depends on where the entities are authorized to operate. In the US, Global Special Risks' operations are conducted by Global Special Risks, a series of RSG Specialty, LLC, a Delaware limited liability company based in Illinois (GSR US). In Canada, Global Special Risks is a division of RSG Insurance Services of Canada Limited (GSR Canada). GSR US and GSR Canada are subsidiaries of Ryan Specialty, LLC. Global Special Risks works directly with brokers, agents and insurance carriers, and as such does not solicit insurance from the public. Some products may only be available in certain states or provinces, and some products may only be available from surplus lines insurers.
